Dear Alex:

In the past my schedule has been so complicated that there have been several occasions when I have been unable to manage attending meetings of the PROCIB Committee. I would therefore like to arrange to have another member of my staff serve as an alternate representative for the National Library of Medicine.

I would like to have Miss M. Ruth MacDonald, Assistant to the Director, National Library of Medicine, accepted as the NLM's alternate representative on the Committee. Miss MacDonald has been in the Federal Government and in the National Library of Medicine for fifteen years and has a security clearance for access to classified information up to and including SECRET granted by the Department of Health, Education, and Welfare on December 6, 1956.

Please let me know if this is acceptable. (Unfortunately, neither Miss MacDonald nor I will be able to attend the next meeting on May 17. Miss MacDonald will not have returned from abroad by that time, and I will be in Kansas City for the meeting of the Medical Library Association.)

Sincerely yours,

Frank B. Rogers
